

# MARTÍNEZ LACUESTA CRIANZA 2016

This harvest was qualified by the D.O. Rioja as VERY GOOD. Aged in new and middle new American oak casks for a period of 18 months, rounded off with 6 more months in the bottle. A tasty and well structured wine, deep black-cherry colour, a fruity taste and an elegant finish with perfectly integrated sensations of oakiness. Highly recommended to accompany white or red meat, game or mature cheeses.

Serve at a temperature of 16 °C.

Grapes: Tempranillo.
